DOCKET NO.
2009-173-S

PALMETTO UTILITIES, INC. - APPLICATION FOR APPROVAL OF THE EXPANSION OF ITS AUTHORIZED SEWER SERVICE TERRITORY TO SERVE UNSERVED AREAS OF RICHLAND COUNTY

Pursuant to S.C. Code Ann. § 58-5-210 (1978) and 26 S.C. Code Ann. Regs. 103-504 (Supp. 2008), Palmetto Utilities, Inc. ("PUI") has filed an Application with the Public Service Commission of South Carolina (the "Commission") for approval of a proposed expansion of the Company's sewer utility territory to serve portions of Richland County which are currently un-served. The area for which the approval is sought are the portions of Richland County generally west of PUI's currently assigned service territory and bounded on the west by U.S. Highway 321, on the south by County Roads 1282 and 1694, on the east by the western boundary of PUI's currently authorized service territory, and on the north by the boundary of Richland and Fairfield counties and generally north-east of PUI's currently assigned service territory and bounded on the east by Kershaw County, on the north by Fairfield County on the west by the Town of Blythewood and the northern most portion of PUI's currently authorized service territory and on the south by PUI's currently authorized service territory. A complete description of PUI's proposed service area is in the Company's Application. In support of its Application, PUI asserts, among other things, that the public interest will be served by an expansion of its sewer collection system because the area for which such expansion is sought is not currently served by any public or governmental utility and no other governmental entity has sewer service facilities in the proposed service area. PUI requests expedited consideration and approval of the Application in the event that no intervention is filed and the Office of Regulatory Staff does not oppose the Application. A copy of the Company's Application can be obtained from the Commission at the following address: Public Service Commission of South Carolina, Docketing Department, 101 Executive Center Drive, Columbia, South Carolina 29210. Additionally, the Application is available on the Commission's website at www.psc.sc.gov and is available from John M. S.
